How To Beat The Winter Blahs

By Kandy Witte

It's time to find ways to entertain ourselves, lift our spirits and get rid of the gray, yucky blahs that can close in on us this time of year. I'm easily amused so you may find my suggestions juvenile or just plain dumb. That's okay. Each to their own. Here's what I did today. Tomorrow I'll do something else.

1. Visit a ball park. Picture the field filled with players and fans. Eat a hot dog.
2. Follow the cat around the house snapping pictures using a flash until the cat bites you on the ankle.
3. Ditto for the dog.
4. Look at your vacation photos. Try to learn PhotoShop and put them into an album. Call somebody to stop you from hurling the PhotoShop disc out the window.
5. Surf the web for funny stuff. It's amazing what's out there!
